Practice Information

Practice is a vital part of swim team. The TigerSharks have limited pool time and therefore, we must make the best use of the time we have. Swimmers need to arrive at the pool on time. Every swimmer is responsible for checking in with their assigned coach at the beginning of each practice and signing the roll sheet. If your child will be missing more than two practices a week for any reason, please inform your coach.

Swimmers must come to practice prepared to swim, unless otherwise instructed by the coach. Be sure to bring a swimsuit, towel, goggles, cap, dry clothes and shoes to each practice. **Label all belongings, as items often get lost.**

The coaches have the right to keep swimmers out of the water if they are late or fail to meet the Swimmer's Responsibilities as noted in this book.

In case of emergency, Orangevale Recreation & Park District may have to close the pool unexpectedly with short notice. Pool emergencies include but are not limited to chemical imbalances of the pool, inclement weather, or vandalism to pool equipment. Refunds will not be provided in the event this happens.

TigerSharks practice even if it rains! Although, in the event of lightning there will be no practice. If you are unsure, you can call the TigerSharks hotline # (916) 988-1285 for a message.

The coaching staff determines practice times for each age group. Generally speaking, when San Juan schools are in session (April 28th – June 10th), practice times are after-school, around 4pm to 8:00pm. When school is out, practice times are between 6:30-10:45am. For those swimmers who cannot attend the morning practices during the summer (usually summer school students, etc.), please contact the head coach.

Practice duration varies between the age groups. Usually the 8 & Under groups practice 30-45 min, 9-12 groups will practice 1 hour, and the 13+ groups will practice for 1.5 hours. All practice lengths are subject to change.

Practice is scheduled five days per week, Monday through Friday

Swim Meet Information

Competition is the goal for our team, having all members able to participate. There are many opportunities throughout the season to compete including Time Trials, Dual Meets, Champs and Meet of Champions. See a following page for an explanation of the different types of meets.

Are meets required?

Yes. We encourage our swimmers to be active team members who swim at least 3 meets to see how they are improving throughout the season. These 3 meets should include 2 dual meets and the VFCAL Champs. You must swim in 2 league dual meets to qualify for our league championships. *Only active team members who swim in 2 dual meets and champs plus fulfill their volunteer hours will be able to pre-register for the following season.*

Signing in to meets:

You MUST sign your swimmers in to each meet you plan on attending.

In May, you will be emailed a link to register with the team online. You must register each swimmer in your family. Once registered, you will receive invitations to sign in to meets. Two weeks prior to the meet, the link will be sent out for the online sign in, please follow the instructions to sign in all swimmers in your family. The process of setting up a swim meet takes one week, so you must SIGN IN early for your swimmer to attend. Adding swimmers on the day of the meet is very difficult for the coaches and computer staff. If you are not planning to attend a meet, please mark "not attending" on the online sign in.

How do I know if my child is swimming and what events they are swimming?

Coaches determine who swims in each event, according to individual goals and abilities. The coaches evaluate the strokes, endurance and experience of all of the swimmers during the weekly practices. Seeding a meet consists of placing the swimmers in events that will benefit themselves and the team. The benefits may be to help them achieve a goal, try a new stroke, and/or post a time.

Coaches are required to complete their seeding by the WEDNESDAY evening prior to the swim meet. The coaches will post the meet sheet by Thursday on our bulletin board on the pool deck, listing each swimmer's events. It is very important that you check the sheets and notify the coaches if your child will not be attending the meet but is listed.

The Orangevale TigerSharks is a TEAM made up of individuals. Each individual has a place on the team and each swimmer is important. When a child does not show up at a meet without notifying a coach, often an entire seeding sheet must be changed prior to the start of the meet. If you have questions or concerns about meet events, talk to your swimmer's coach.

Events

The coaches will determine the number events your swimmer may swim. This will vary depending on the number of swimmers in each age group. Individual events are the individual medley (1 lap of each stroke), short free, long free, backstroke, breast stroke and butterfly. Exemptions are for the 6 & Under swimmers which only swim the short free and backstroke.

Relays

There are two relay events at each meet; Freestyle and Medley (back, breast, fly, free).

Teams are made up of 4 swimmers of the same age group, each swimming an equal length (1 or 2 laps)
6 & Under age group only swim the freestyle relay.

Swim Meet 101

Arrival: YOU MUST CHECK YOUR SWIMMERS IN AT 7:00am SHARP for swim meets!

At each meet, you must check in with the coaches at 7am at the sign in spot. Any swimmer not checked in will be scratched from the meet and not able to swim that day. This is a timely process for the coaches and computer staff to scratch swimmers and rework the relays. Only sign into a meet if you intend on coming. At home meets, the coaches will have a table set up just inside the entrance gate. At away meets, the coaches will be by our age group tents.

PARENTS: It takes around 90 volunteers to staff a swim meet.

We need all families to work at the meets their children are swimming in. Job signups will open the same time as meet sign in. The final volunteer schedule will be sent out a few days before each meet, please verify where you are working and contact the Volunteer Coordinator with any questions.

All parents must check in with your Volunteer Coordinator after checking your swimmer in with their coaches, even if you are on stand-by.

After checking in with the coaches & volunteer heads, please check in with your swimmer's age-group parent.

Age Group Tents

Each Age group will have a tent set up to at each meet.

10 & Under Swimmers: Swimmer will gather and be placed into order before each event at their tent. Help the Age Group parents by making sure your swimmer is at their tent 3-4 events prior to the one they are swimming in. The Age Group parents will do a head count, line them up and take them to the ready bench. If your swimmer is not at the tent, they may miss their race. It is the responsibility of the swimmer and their parent to make sure they are at their races on time, not the Age Group Parent.

11 & Older Swimmers: There will be tents set up to hang out in between races. A program will be posted for them. Swimmers are responsible for getting to the ready bench and blocks on time.

Ready Bench

We will have a ready bench at all meets this season, home and away.

The Ready Bench parent will make sure the swimmers are in heat and lane order, and then send them to the blocks when it is time for their race. Please be ready to swim when arriving at the ready bench with your cap and goggles. DO NOT leave shoes, towels, or other personal items at the ready bench.

About 2 events prior to every swimmer's event, swimmers should be at the ready bench. 10 and younger ages are usually brought over by the Age Group parents, older swimmers are expected to arrive on their own. This is done to ensure that every swimmer makes it to their race on time and does not miss his/her opportunity to compete. Please follow the directions of the Ready Bench parents once in that area.

Events

The order of events will be the same at all VFCAL meets. Events start with the youngest girls and then the youngest boys, alternating girls then boys until the stroke is finished.

Order of Events: IM, 6U Free Relay, 7+ Medley Relay, Short Free, Backstroke, Breaststroke, Long Free, Butterfly, 7+ Free Relay.

Swimmers will have 30 seconds to be on the blocks once their heat is up. If they are not there in time, they will be disqualified from that race.

Setup & Tear Down

If you are assigned meet set up and tear down, arrive on time! Usually 10 & under aged families set up the meets and 11 & older families tear it down. Please pitch in to make the work go faster.

Personal Areas

We encourage our families to bring tents and chairs for the day. Please follow the direction of the Meet Director for where to set up and leave your area clean at the end of the day.

Types of Swim Meets

We swim in the VFCAL Swim League that has 8 teams: Arden Manor Pirates, Auburn Robalos, Cordova Blue Marlins, Lifetime Roseville Sugar Bears, Orangevale TigerSharks, Placerville Dry Diggins Dolphins, Rio Linda AquaKnights, and Woodland Wreckers.

Time Trials

This is our first meet of the year, also known as the Orange vs. Black meet. TigerSharks are the only ones in the pool for this meet. The purpose is to give everyone a chance to see how a meet runs and to set base times for our swimmers, so they know where they are starting at for the season. The coaches use these times to seed the swimmers in upcoming meets. Time trials are a trial run for everyone including the swimmers, coaches, and parent volunteers.

Dual Meets

A league dual meet is when the TigerSharks compete against one other team in the league. A complete schedule and locations will be posted on our website.

VFCAL League Champs

Championships are the final league meet of the season. All eight teams in our league compete against one another at one giant meet. The meet is open to all TigerSharks that have swam in at least 2 dual meets during the regular season. We encourage all swimmers to attend champs! This is the last time most of our swimmers will be able to post times to show their improvements for the season. *As a reminder, you must be an active team member attending championships and volunteering to pre-register for the 2025 season.*

Meet of Champions

Meet of Champions (MOC) is a meet you must qualify to attend. To qualify you must finish in the top 10 of any stroke at our league champs or meet qualifying times at any dual meet during the season. Times are listed on the MOC website at www.meetofchampions.com. MOC is held 1-2 weeks after our league champs. There are additional meet fees to attend MOC. If your swimmer has qualified and would like to practice with the TigerSharks coaches, there is an additional practice fee of \$50 paid to OVparks.

VFCAL Rules

The Orangevale TigerSharks Swim Team participates in the Valley-Foothill Competitive Aquatics League. The league has a set of general and swimming specific rules that govern how the swim meets are run. Please note the following rules, as they are important. For a complete set of VFCAL rules, call Jason Bain, our Aquatics Supervisor.

Age Groups

The six age groups are: 6 & Under, 7-8, 9-10, 11-12, 13-14 and 15-18. The swimmers' age is determined by their age on June 1, 2024. A swimmer may advance to the next highest age group before they actually turn that age, but they must remain in that higher age group for the remainder of that season.

Entries

Teams may enter eight official swimmers in most events.

1. Teams may enter four official teams in the Medley relay event and eight in the Free Relay event.
2. All Swimmers may be entered in a maximum of three individual events and two relays.

Eligibility

No participant of the VFCAL may compete with any organized swimming group during the period of January 15 to February 28, 2025; EXCEPT an individual on a high school swim team.

League participants may workout with any organized group prior to the May 6th start date.

All VFCAL participants have a MANDATORY rest (SWIMMING ONLY) period from January 15 to February 28, 2025 in which you are not allowed to swim in any meets.

Once VFCAL season begins, VFCAL participants must workout exclusively with their VFCAL team, EXCEPT for high school swimmers.

To be eligible for League Championships, all swimmers must compete in at least two League dual meets.

Code of Conduct of Spectators and Participants

Smoking is prohibited in ANY pool area during VFCAL sponsored competition and at all times at the Orangevale Community Pool.

Meet officials, coaches, and timers request that all spectators and swimmers stay away from the starting area (behind the blocks or in the shallow area for 25-yard events.) ONLY swimmers who have been called to the starting area are permitted in this area. With your assistance, this will cut back on the confusion with all swimmers. Please follow all pool rules.

Any empty lanes or open areas in the pool, including the zero-depth area, are not open for spectators, swimmers or family members to swim or wade in. Entering the competition area in any way during the competition can be considered interfering and the team may be disqualified.

No Photography behind the starting blocks.

Follow the directions of the Orangevale Recreation & Park District staff including coaches, lifeguards, or any other staff member.

Always wait for a coach to give you directions to enter the pool.

Attend practice on a regular basis and arrive on time.

Swimmers who are continually late or absent from practice may not be seeded in upcoming meets.

Talk with your coaches. Let your coach know if you must leave the pool or pool area during practice. (i.e. going to the bathroom or leaving early)

Use equipment and facilities appropriately.

Remember to bring your own suit, goggles, cap, and towel.

Please help your coaches in setting up and putting away any equipment.

Clean up after yourself. Put garbage in the trash cans.

Remember: WINNING IS NOT AS IMPORTANT AS TRYING YOUR BEST!

Orangevale TigerSharks Parent Club and Parent Responsibilities

The TigerSharks Parent Club consists of the Board of Directors and team Leads. By joining the TigerSharks, your family is automatically a part of the club! The Parent Club has four main functions:

1. Assist in the running of home and away meets during the season; make sure parents are informed of what is going on.
2. Assist the coaches and OVparks in recruitment and training of parent volunteers for all aspects of meet operations and preparations.
3. Organize social functions for all team members and parents during the season.
4. Fundraising for supplies, awards and other operational costs of the team that are not covered by the Orangevale Recreation & Park District.

For additional information about the Parent Club, or if you are interested in serving on the board or as a lead person, please contact the Board President, Kristin Hurd, at ovtspresident@gmail.com

Parent Participation Responsibilities

Competitive swimming requires a great deal of parent participation. **EVERY family is required to work at EACH swim meet their child is scheduled to swim in. Failure to participate will make you ineligible to pre-register for the next season.** Assistance is needed from every family to run the swim meets. Parents perform a variety of duties throughout a meet including timing, stroke and turn judging, hospitality, placing stickers on the ribbons, selling merchandise, snack bar help, or set up and tear down. Plus, participation can be a fun way to be involved with your child and meet new people. Please remember, you keep the swim team together. Without parent support, the TigerSharks could not have swim meets, fundraisers, or social events. Parents aren't the only ones who can help; assistance can be from an older sibling, grandparent, neighbor, etc.

Parent Reminders

While on the pool deck at practices and during meets, please remember you are responsible for your child's behavior, including non-swimmer siblings and guests. Only swimmers are permitted in the pool any time during a practice or swim meet, and only when a coach has directed them to enter the pool. This includes all areas of the pool; the deep area, the slide and the zero-depth area.

All parents, spectators, and swimmers are to respect the coaches, their decisions, and their positions with the team, as they have the necessary experience and training to perform their duties. If you have a concern with the team personnel, please see the Aquatics Supervisor, Jason Bain.

All parents and spectators must refrain from the use of tobacco, alcohol and/or illegal drugs while working with the children, including while on the pool deck. This restriction is for the health and safety of all participants and staff.
